SENATE BILL 609 (ROMERO) SUPPORT IF AMENDED

Dear Senator Romero:

Our preliminary position on Senate Bill 609 is that we would be pleased to support the legislation if it is amended consistent with the attached draft. Thank you for working with our office to resolve our concerns related to your bill. We believe that as amended, the legislation will help to assure that any testimony from an in-custody informant is consistent with standards of reliability. This legislation is similar to a policy which has been enforced in Los Angeles County for several years.

Very truly yours,

STEVE COOLEY
District Attorney
